See a Secret...Share a Secret[See a Secret...Share a Secret](#)[PostSecret Exhibit](#)[The Book](#)[How Do I Mail-In My Secrets?](#)www.hopeline.com[XML\(RSS\)](#)

PostSecret is an ongoing community art project where people mail-in their secrets anonymously on one side of a homemade postcard.

"You are invited to anonymously contribute your secrets to PostSecret. Each secret can be a regret, hope, funny experience, unseen kindness, fantasy, belief, fear, betrayal, erotic desire, feeling, confession, or childhood humiliation. Reveal anything - as long as it is true and you have never shared it with anyone before."

A photograph of a bunch of keys and cards resting on a light-colored wooden surface. The keys include a standard metal key, a remote key fob, and a dark green car key. There are several cards, one of which has 'Want' written on it. A small, pink, fluffy object is also visible.
